

EASTER IN THE TREEHOUSE!

APRIL 10 - 13, 2009

Celebrate Easter with Treehouse! We will be celebrating all things Easter and Spring from Friday April 10th through to Monday April 13th, 2009. Join us for some fantastic programming, including two premieres!

PREMIERE – Wow! Wow! Wubbzy!

Take Us to Your Leader: Walden thinks he sees an approaching spaceship through his telescope, and he excitedly spreads the word that space visitors are coming! Wubbzy and Widget discover that it's only a firefly on the lens. Hoping to not disappoint him, Wubbzy and Widget build a spaceship and pretend to be aliens from outer space. They fly to the park and land on schedule, but Walden begins to suspect that these “aliens” are not quite what they seem.

Eggs Over Easy: Wubbzy is going to decorate and hide the eggs for the big Easter Egg Hunt, and Widget wants to help...
